MAINTAINANCE

As a garden furniture brand, we have a high standard in weather resistant materials. Every dining chair, sunbed, lounge set and parasol is crafted with the goal to withstand the influences of any weather type. Rain, sunlight, temperature differences: they have their effect on everything. We guarantee at least 5 years and sometimes even 10 years, of resistance to the influences of the weather. Like any other material, regular maintenance is required. Our guarantees are under condition of maintenance using our 4SO maintenance products.
